

2023

FANNP's 34th

NATIONAL NEONATAL NURSE PRACTITIONER SYMPOSIUM: CLINICAL UPDATE AND REVIEW

October 10-14, 2023

Attend In-Person or Virtually

Refresh – Review – Recharge – Reunite – Renew
“The only review course for NNPs, by NNPs”
Register online at FANNP.org

The Florida Association of Neonatal Nurse Practitioners invites you to join us at our 2023 Annual Conference. FANNP leadership presents a “hybrid format” with alternatives for attendance. You will have the choice to:

- Attend live in-person at the Sheraton Sand Key, Clearwater Beach, Florida. The on-site Conference will have attendance limited to 350 people (first come, first served). **OR**
- Attend our live Virtual Conference, and stream from home or wherever you may be!
- If you are unable to be with us in October, “attend” sessions and earn CEU credits at your convenience using the On-Demand Library. Live on-site or live virtual attendees will also have access to the On-Demand Library to view sessions for review and/or earn additional CEU credits.

CONFERENCE PARTICIPANTS

The conference draws participants from throughout the United States and internationally.

Participants include:

- Neonatal nurse practitioners
- Neonatal nurse practitioner students
- Clinical nurse specialists
- Neonatal physician assistants
- Neonatal nurses
- Nurse educators

CONTINUING EDUCATION CREDITS

The Florida Board of Nursing has approved “live attendance” of this conference event during the scheduled times of October 10-14, 2023 for up to 27.5 contact hours.

Continuing education credits (up to 48.5 contact hours) can also be obtained by viewing sessions in the conference “On-Demand Library” at any time prior to 9/15/2024.

The On-Demand Library (free with live registration) is a real bargain and almost doubles the possible total educational credits. Participants can earn a total of 48.5 – 52 contact hours.

“The expert knowledge provided to not only assist in passing a test but also to use in practice and provide the best care.”

“All the presentations are relevant to my job, and I appreciate knowing when I pay for a conference, I will get the most out of it.”

ATTEND ONLINE OR ON-SITE AT THE SHERATON SAND KEY, CLEARWATER BEACH, FLORIDA

CONFERENCE OBJECTIVES

The FANNP Symposium began as a small, annual conference designed to coach novice nurse practitioners and students for the National Certification Neonatal Nursing Specialties Examination. Over the past 34 years, the size and scope has broadened. The conference now offers a multi-track curriculum.

An expert faculty of leading nurse practitioners, educators, and physicians present an in-depth exam review, plus insights to the latest trends in neonatal care.

- **Track A sessions** are designed for experienced NNPs and nurses to update knowledge with content pertinent to neonatal professional and clinical practice.
- **Track B sessions** are designed as a review for the National Certification Corporation (NCC) Neonatal Nursing Specialties exams, and Continuing Competency Assessment.
- Sessions in both tracks will fulfill NCC Certification Maintenance Education requirements for re-certification.

Participants will have the opportunity to:

- Review current concepts, trends, and management practices appropriate for the care of the high-risk neonate.
- Discuss current issues in neonatal care with a rapidly growing and influential group of health care professionals involved in high-risk neonatal care from throughout the U.S. and internationally.
- Access on-line handouts for download.
- Network with knowledgeable individuals involved in the care of the fetus and the newborn.
- Earn additional CEU credits or study and review with an on-demand library of audio-visual presentations available until September 15, 2024

CONFERENCE LOCATION

The Sheraton Sand Key Resort is situated on a barrier island on the Gulf of Mexico. The schedule includes plenty of free time to enjoy the sun and beautiful surroundings.

Enjoy the swimming pool, fitness center, tennis, volleyball, or simply stroll the white sandy beach. Beach activities — parasailing, catamarans, and sailboarding — are only steps away. “The best of both worlds — a spectacular secluded beach tucked conveniently close to Florida’s exciting attractions.”

ROOMS AND RESERVATIONS

Please be aware that due to planned guest room renovations at the Sheraton Sand Key Resort the number of rooms available for FANNP will be limited this year. We have arranged for an additional room block at the Clearwater Beach Marriott Suites on Sand Key, across the street from the Sheraton, a sister property of the Sheraton.

All conference activities will be at the Sheraton Sand Key Resort.

To obtain the special FANNP rate, make your reservation early and before the “hotel room block release date” which is September 1, 2023 (before 11:00 PM EST). The room blocks may sell out early. After the release date, rooms at the group rate will no longer be available.

When making your reservation, please be sure to choose your arrival and departure dates via the drop-down menu in the “dates” section PRIOR to hitting the “check availability” button. **DO NOT LEAVE THE DEFAULT DATES.**

Room rates at the **Sheraton Sand Key Resort** are \$229 per room (single/double occupancy), plus taxes. Rates apply 3 days prior to and after the conference.

To make Sheraton Sand Key reservations, use the link here or on the FANNP website. [Sheraton Sand Key Resort Reservations](#)

Room rates at the **Clearwater Beach Marriott Suites** on Sand Key across the street are \$259 per room, plus taxes. Rates apply 2 days prior to and after the conference.

To make Marriott Suites reservations use the link here or on the FANNP website. [Marriott Suites Reservations](#)

TRANSPORTATION

Super Shuttle (ExecuCar) and Uber services are available from Tampa International Airport.

2023 CONFERENCE AGENDA

27.5 CEU possible CEU for In-Person or Live Virtual Attendance

All times listed are Eastern time

Program schedule, topics and speakers subject to change

TUESDAY, OCT. 10 [5.5 CEU]

7:30 – 9:00 AM CONTINENTAL BREAKFAST • REGISTRATION • NETWORKING • EXHIBITS OPEN

9:00 – 10:30 AM

Welcome / General Session 1

911! PSYCHOLOGICAL SAFETY – A KEY STRATEGY TO RESUSCITATE EMOTIONALLY EXHAUSTED TEAMS!

The COVID-19 pandemic accelerated an already persistent staffing shortage towards a crisis, resulting in stressed, burned out, and emotionally exhausted healthcare teams. NICU teams are no exception. This session will review the fundamental principles of psychological safety as a key strategy to improve team member wellbeing, patient safety, and optimal team performance. [1.0 CEU]

Joan Smith, PhD, RN, NNP-BC, FAAN

10:30 – 11:00 AM BREAK • NETWORKING • EXHIBITS OPEN

11:00 – 12:30 PM

Track A, Session 1

EVIDENCE INFORMING ROUTINE NEONATAL CARE – IMMUNIZATIONS AND VITAMIN K PROPHYLAXIS

This presentation will describe the history and mechanisms of vaccines given in infancy. Clinical pearls on vaccine timing and practical tools to combat vaccine hesitancy will be discussed. This presentation will also explore the science of vitamin K prophylaxis as a valuable tool to prevent significant infant morbidity. [1.5 CEU, 1.5 Pharm]

Christopher McPherson, PharmD

Track B, Session 1

SOS: REVIEW OF COMMON NEONATAL GI DISORDERS

This presentation is a general overview of common neonatal GI problems. [1.5 CEU, 0.2 Pharm]

Jacqui Hoffman, DNP, APRN, NNP-BC

12:30 – 2:00 PM LUNCH (ON YOUR OWN) • EXHIBITS OPEN

2:00 – 3:30 PM

Track A, Session 2a [2:00 – 2:45 PM]

JUST IN TIME: USING A SHARED MENTAL MODEL TO OUTSMART THE UNEXPECTED

Have you ever had a patient suddenly decompensate, with the team scrambling to intervene? Are you well-acquainted with how sneaky NICU babies can be when it comes to subtle changes to their condition? This lecture will arm you with knowledge and practical examples of how one NICU used shared mental model concepts to create “Just in Time” training to prevent and rapidly resolve the unexpected. [0.75 CEU, 0.3 Pharm] Stephen Stoever, DNP, NNP-BC

Track A, Session 2b [2:45 – 3:30 PM]

SO YOU WANT TO BE A NNP LEADER: WALKING THE TIGHTROPE BETWEEN ADVOCACY AND ACCOUNTABILITY

Navigating the transition between clinician and leadership can be a tightrope act of balancing fierce advocacy for your team while expecting the best from them. In this session, we will examine how to avoid pitfalls new leaders face along with finding the “small wins” that go a long way in building a loyal, effective team to be proud of. [0.75 CEU]

Stephen Stoever, DNP, NNP-BC

Track B, Session 2

NEONATAL NEUROLOGY REVIEW

A general overview of diagnosis and management of neurologic diseases and conditions. [1.5 CEU, 0.2 Pharm]

Leslie Parker, PhD, APRN, FAANP, FAAN

3:30 – 4:30 PM BREAK • NETWORKING • EXHIBITS OPEN

4:30 – 6:00 PM

Track A, Session 3a [4:30 – 5:15 PM]

PRACTICAL APPROACHES TO PROCEDURAL AND POST-OPERATIVE PAIN MANAGEMENT

This presentation will provide practical, evidence-based approaches to pain management during and after procedures common to neonatal care. [0.75 CEU, 0.75 Pharm]

Christopher McPherson, PharmD

Track A, Session 3b [5:15 – 6:00 PM]

MARIJUANA EXPOSURE (PREGNANCY AND POSTPARTUM)

This session will provide an up to date review of growing knowledge on the potential impacts of marijuana and/or CBD exposure during pregnancy, including outcomes from the immediate perinatal period to young adulthood. [0.75 CEU, 0.75 Pharm]

Christopher McPherson, PharmD

Track B, Session 3

NEONATAL HEMATOLOGY REVIEW

A general overview of neonatal hematology and common disorders. [1.5 CEU, 0.5 Pharm]

Michele Kacmarcik Savin DNP, APRN, NNP-BC, CNE

6:30-7:30 PM WELCOME RECEPTION

WEDNESDAY, OCT. 11 (7.5 CEU)

7:30 – 8:30 AM CONTINENTAL BREAKFAST • NETWORKING • EXHIBITS OPEN

8:30 – 9:30 AM

GENERAL SESSION 2

HUMAN TRAFFICKING 101: WHAT NICU PROVIDERS NEED TO KNOW

Human trafficking is an egregious, pervasive, and under-recognized human rights violation and public health threat. Healthcare providers in all areas and specialties, including the NICU, encounter trafficked persons. Learn the facts about human trafficking and what you can do to support and positively impact NICU families potentially impacted by human trafficking. [1.0 CEU]

Megan L. Doiron, DNP, APRN, NNP-BC

9:30 – 10:00 AM BREAK • NETWORKING • EXHIBITS OPEN

10:00 – 11:00 AM

Track A, Session 4

POSTER PODIUM PRESENTATIONS

Three of the poster submissions chosen to share their findings in more detail. [1 CEU, Pharm TBD]

Track B, Session 4

METABOLIC AND ENDOCRINE I

Provides an overview of metabolic and endocrine function. Includes a review of common disorders and management. [1 CEU, 0.2 Pharm]

Leslie Parker, PhD, APRN, FAANP, FAAN

11:00 – 12:00 PM

Track A, Session 5

POINT OF CARE ULTRASOUND IN THE NICU

Point-of-care ultrasound (POCUS) can be a helpful tool in the NICU. This presentation will provide an overview of POCUS fundamentals and POCUS applications in the NICU including central catheter assessment. [1.0 CEU]

Megan L. Doiron, DNP, APRN, NNP-BC

Track B, Session 5

METABOLIC AND ENDOCRINE II

Provides an overview of metabolic and endocrine function. Includes a review of common disorders and management. [1 CEU, 0.1 Pharm]

Leslie Parker, PhD, APRN, FAANP, FAAN

12:00 – 1:00 PM LUNCH (ON YOUR OWN) • EXHIBITS OPEN

1:00 – 2:30 PM

Track A, Session 6

STEPPING INTO THE SPOTLIGHT

This presentation will review the updated AAP hyperbilirubinemia guidelines and utilize case presentations to guide clinical decision making. [1.5 CEU]

Robyn Wallen Eaton, MSN, APRN, PNP, NNP-BC

Track B, Session 6

NEONATAL PHARMACOLOGY REVIEW

This session will be a general overview of pharmacokinetics, pharmacodynamics, and common medications used in neonatal medicine. [1.5 CEU, 1.5 Pharm] *Nicole Thompson-Bowie, DNP, APRN, NNP-BC, PNP*

2:30 – 3:00 PM BREAK • NETWORKING • EXHIBITS OPEN

3:00 – 4:30 PM

Track A, Session 7a (3:00 – 3:45 PM)

BEST PRACTICES TO OPTIMIZE NUTRITION IN VERY PRETERM INFANTS

Optimizing nutrition in very preterm infants is known to reduce complications and improve neurodevelopmental outcomes. This presentation will provide evidence-based practices to optimize nutrition in this vulnerable population of infants. [0.75 CEU, 0.2 Pharm] *Leslie Parker, PhD, APRN, FAANP, FAAN*

Track A, Session 7b (3:45 – 4:30 PM)

DONOR HUMAN MILK VERSUS MOTHER'S OWN MILK: WHAT'S THE DIFFERENCE AND WHY IT MATTERS

The use of donor human milk is recommended by the American Academy of Pediatrics for preterm infants when mother's own milk is unavailable. However, there are compositional, nutritional, and immunologic differences between the two which can affect infant outcomes. This presentation will discuss differences between donor human milk and mother's own milk, potential clinical consequences, as well as the use of donor human milk in populations other than preterm infants. [0.75 CEU] *Leslie Parker, PhD, APRN, FAANP, FAAN*

Track B, Session 7

GENETIC REVIEW: GENETICS AND GENOMICS: TOOLS FOR PRACTICE

An overview of the main patterns of inheritance, including chromosomal, single gene, and multifactorial. Common occurrences that affect the newborn, infant, and young toddler will be included. The importance of Genomics in healthcare will be discussed. [1.5 CEU] *Kara Morgan DNP, APRN, CPNP-BC, LCGC*

4:30 – 4:45 PM STRETCH BREAK

4:45 – 6:15 PM

Track A, Session 8a (4:45 – 5:30 PM)

UPDATE ON NNP EDUCATION GUIDELINES AND COMPETENCIES

This presentation will focus on the new educational guidelines by which NNP programs are standardized, accredited, and evaluated. Included will be a discussion of NNP competencies, student hourly clinical requirements and how these changes affect precepting. [0.75 CEU]

Michele Kacmarcik Savin DNP, APRN, NNP-BC, CNE

Track A, Session 8b (5:30 – 6:15 PM)

SYSTEMIC HEALTH LITERACY

Health literacy is a social determinant of health and an equity issue. How literacy is addressed on a systemic level goes beyond health and

wellness, from access to personal knowledge and the ability to care for one's self and family. This discussion will offer ways to approach health literacy from a team and systems perspective to improve all aspects of care. [0.75 CEU] *Michele Kacmarcik Savin DNP, APRN, NNP-BC, CNE*

Track B, Session 8

NEONATAL CARDIOLOGY REVIEW

This presentation is an overview of cyanotic, acyanotic, obstructive, and other congenital heart defects. Brief discussion regarding tachyarrhythmias, brady-arrhythmias, and pulseless arrests as well as compensated, decompensated, and irreversible shock. [1.5 CEU, 0.2 Pharm]

Nicole Thompson-Bowie, DNP, APRN, NNP-BC, PNP

7:00 – 10:00 PM CASINO BEACH PARTY

THURSDAY, OCT. 12 [5.5 CEU + 1.5 CEU = 7 CEU]

10:30 AM – 12:00 PM FANNP ANNUAL BUSINESS MEETING AND BRUNCH

12:00 – 1:00 PM

Track A, Session 9

JOURNAL CLUB: TWO ARTICLES THAT SHOULD CHANGE YOUR PRACTICE

An interactive session. Using recently published manuscripts, current practice strategies will be discussed and challenged. [1 CEU, Pharm TBD]
David James Burchfield MD

Track B, Session 9

NEONATAL FLUIDS, ELECTROLYTES, AND NUTRITION

Review of fluid and electrolyte management and common electrolyte disorders. [1 CEU, 0.5 Pharm]

Jacqui Hoffman, DNP, APRN, NNP-BC

1:00 – 1:15 PM STRETCH BREAK

1:15 – 2:45 PM

Track A, Session 10a (1:15 – 2:00 PM)

ANTIBIOTIC STEWARDSHIP: DO WE TAKE THIS SERIOUSLY ENOUGH

To prevent and treat sepsis, healthcare professionals have used antibiotics extensively and often indiscriminately. The practice of antibiotic overuse has been harmful and has led to microbial resistance. Content in this session will highlight appropriate antibiotic use, help NNP's reduce unnecessary antibiotic prescriptions, and avoid creating microbial resistance. [0.75 CEU, 0.75 Pharm]

Terri A. Cavaliere DNP, RN, NNP-BC, FAANP

Track A, Session 10b (2:00 – 2:45 PM)

THE MICROBIOME: SO IMPORTANT AND SO NEGLECTED IN NEONATAL PRACTICE

Recent data have highlighted the importance of the infant microbiome and how nutrition is related to preserving its integrity. This workshop focuses on the importance of the microbiome in immune protection and will review strategies that can assist in the development and protection of the microbiome. [0.75 CEU, 0.4 Pharm]

Terri A. Cavaliere DNP, RN, NNP-BC, FAANP

Track B, Session 10

FEED ME: NEONATAL NUTRITION REVIEW

This session provides an overview of enteral and parenteral nutrition [1.5 CEU, 0.5 Pharm]

Jacqui Hoffman, DNP, APRN, NNP-BC

2:45 – 3:00 PM STRETCH BREAK

3:00 – 4:30 PM

Track A, Session 11

PREVENTING INTRAVENTRICULAR HEMORRHAGE: TIPQC'S IVH REDUCTION PROJECT

We will review quality improvement work focused on preventing severe intraventricular hemorrhage. This will include detailed discussion of the development of TIPQC's new project and the potentially better practices that were included. [1.5 CEU, 0.2 Pharm]

Scott Guthrie, MD

Track B, Session 11

RADIOLOGY REVIEW

Key points for interpreting radiographs in neonates will be discussed as background. Radiographs of common, as well as some uncommon findings in neonates will be shown. [1.5 CEU]

David James Burchfield, MD

4:30 – 4:45 PM STRETCH BREAK

4:45 – 6:15 PM

Track A, Session 12

IT'S QUIZ SHOW TIME AGAIN. HERE'S YOUR CHANCE TO SHOW OFF "COMPETITIVE MUSCLES"

The Quiz Show host has been busy creating another challenge to test yourselves and see how much preparation you need for the next NCC recertification examination. Come join the fun [competition]; maybe you will be the champion this year. [1.5 CEU, 0.4 Pharm] **Will NOT be available in the On Demand Library**

Terri A. Cavaliere DNP, RN, NNP-BC, FAANP

Track B, Session 12

RENAL REVIEW

This presentation provides a general overview of renal function and disorders. [1.5 CEU, 0.4 Pharm] *Tami Wallace, DNP, APRN, NNP-BC*

6:30 – 8:00 PM POSTER SESSION (1.5 CEU)

FRIDAY, OCT. 13 (4 CEU)

7:30 – 8:00 AM CONTINENTAL BREAKFAST • NETWORKING

8:00 – 9:00 AM

General Session 3

MANAGEMENT FROM RESUSCITATION TO DISCHARGE OF PREMATURE INFANTS BORN AT 22 TO 23 WEEKS GESTATION

This session will discuss management from resuscitation to discharge of premature infants born at 22 to 23 weeks gestation. (1 CEU, 0.3 Pharm)
Jonathan M. Klein, MD

9:00 – 9:15 AM STRETCH BREAK

9:15 – 10:45 AM

Track A, Session 13

WELCOME TO THE JUNGLE! CAN PROBIOTICS PREVENT NECROTIZING ENTEROCOLITIS?

We will review the data surrounding probiotics and their ability to prevent necrotizing enterocolitis. Discussion will also focus on if we should and how we might integrate this into our practice. We will also touch on what is currently taking place in this area. (1.5 CEU, 0.75 Pharm).

Scott Guthrie, MD

Track B, Session 13

DIFFERENTIAL DIAGNOSIS AND MANAGEMENT OF RESPIRATORY DISEASE

This session will provide an overview of airway issues, diseases, mechanical, structural, obstructive, and iatrogenic causes of neonatal respiratory distress. The key characteristics, stabilization, and treatment options will be reviewed. (1.5 CEU, 0.2 Pharm)

Amy Jnah, DNP, APRN, NNP-BC

10:45 – 11:00 AM STRETCH BREAK

11:00 – 12:30 PM

Track A, Session 14

HOT TOPICS, CONTROVERSIES AND CHANGE IN THE NICU

This session will consist of multiple short 10-15 minute vignettes on hot topics, controversies and changes in the NICU. Any available literature will be reviewed, and the therapeutic potentials and pitfalls discussed. (1.5 CEU, 0.4 Pharm)

Tami Wallace, DNP, APRN, NNP-BC

Track B, Session 14

NEONATAL SEPSIS

An overview of diagnosis, physiology and management of neonatal sepsis. (1.5 CEU, 0.2 Pharm)

Colleen Reilly Moss, DNP, APRN, NNP-BC

“The virtual library is great. I could attend/view and review the presentations on my schedule. I can go back and review the videos again and again.”

SATURDAY, OCT. 14 (3.5 CEU)

7:30 – 8:00 AM CONTINENTAL BREAKFAST • NETWORKING

8:00 – 9:30 AM

Track A, Session 15

HIGH FREQUENCY JET VENTILATION: A FIRST INTENTION APPROACH FOR INFANTS BORN AT 22 TO 25 WEEKS GESTATION

This presentation will describe the benefits of minimizing volutrauma by using first intention high frequency jet ventilation to care for premature infants born at 22 to 25 weeks gestation. We will focus on the unique ventilator management strategies used when caring for infants born during the canalicular stage of fetal lung development as well as pulmonary and neurodevelopmental outcomes. (1.5 CEU)

Jonathan M. Klein, MD

Track B, Session 15

ABG INTERPRETATION AND VENTILATION STRATEGIES

A review of blood gas interpretation with ventilation and oxygenation manipulation to optimize neonatal respiratory care. (1.5 CEU, 0.2 Pharm)

Amy Jnah, DNP, APRN, NNP-BC

9:30 – 10:00 AM BREAK • HOTEL CHECKOUT

10:00 AM – 12:00 PM

Track A, Session 16

EXPANDED ROLES OF THE NEONATAL NURSE PRACTITIONER: PANEL

This session will explore three different expanded roles of neonatal nurse practitioner: Newborn service, developmental follow-up clinic, and intestinal rehabilitation. (2 CEU) **Will not be available in the On Demand Library**

Jessica Jones, DNP, APRN, NNP-BC

Jane Shannon, MS, APRN, NNP-BC

Carolyn Kelly, MS, APRN, NNP-BC

Track B, Session 16

TEST TAKING TIPS AND STUDY STRATEGIES

This session is presented in two parts. First, an overview of the certification examination (rules, regulations, eligibility, and format). Study and test taking strategies will be given for multiple choice exams. Second, the opportunity to answer practice questions in a relaxed, game show atmosphere. (2 CEU, 0.2 Pharm)

Colleen Reilly Moss, DNP, APRN, NNP-BC

27.5 possible CEU for In-Person or Live Virtual Attendance

48.5 possible CEU for On Demand Library

48.5 – 52 possible CEU for In-Person or Live Virtual plus On Demand Library

“Lectures covered all the topics that will be tested on the certification exam.”

CONFERENCE EVENTS

WELCOME RECEPTION

Tuesday, October. 10, 6:30 – 7:30 PM

On-site participants, join us poolside to network, meet new friends and catch up with the old ones! Grab a cocktail and your favorite appetizers to watch the sunset.

CASINO PARTY ON THE BEACH

Wednesday, October 11, 7:00 – 10:00 pm

Join us for Casino Night — Place your bets on a magical night of fun under the stars with your friends, family, and colleagues. Feel free to wear your glitziest casino attire (encouraged, not required) for a night of great fun and relaxation! There will be delicious food, dancing to the DJ, games, photo booth, and a cash bar. You won't need Lady Luck tonight, as we guarantee you'll have a fabulous time! The event costs \$35 for conference registrants and \$40 for guests.

EXHIBIT HALL

During breaks browse through our Exhibit Hall, set up with displays from medical and non-medical vendors.

FANNP ANNUAL BUSINESS MEETING

Thursday, October. 12, 10:30 AM -12:00 noon

Highlights include committee reports, budget review, and scholarship and research grant award.

On-site participants – new and current FANNP members are invited to attend a brunch which is included in your conference registration fee. Please indicate on your registration form if you plan to attend. Non-FANNP members are invited and welcome to attend. Please indicate on your registration form if you plan to attend and add \$20 to your registration fee.

Virtual attendees – Our plan is to stream the meeting as an interactive session for virtual attendees.

POSTER SESSION

Thursday, October. 12, 6:30-8:00 PM

On-site participants... An attended Poster Session for live interactive Q & A with the Poster Presenters. An opportunity for participants to network, share knowledge and recognize the work of their colleagues. Review current hot topic research and earn 1.5 contact hours. Cost to attend is \$10

Recorded presentations of the poster submissions with current topics, case studies, QA studies and research projects will be available virtually for all to review at their convenience. After reviewing the Poster Presentations participants will be able to earn 1.5 CEU.

FANNP PLANNING COMMITTEE

Neonatal healthcare professionals volunteering their time, creativity, and energy to develop an evidence based, up to date and welcoming conference.

Marylee Kraus, *Conference Chair*

Jacqui Hoffman, *Speaker Chair*

Colleen Moss, *Speaker Co-Chair*

Jessica Jones, *Speaker Co-Chair*

Harry Vannus, *Exhibits & Sponsor Coordinator*

Paula Timoney, *Virtual Conference
Platform Coordinator*

Jennifer Humphries, *Poster Session Coordinator*

Karen Theobald, *Registration Coordinator*

Mary Beth Bodin

Gayla Kaye-Steed

Terri Marin

Christa Smith

Diane McNerney

Sheryl Montrowl

“I really enjoyed the topics and networking opportunities and meeting NNPs from across the country.”

JOIN FANNP TODAY!

New memberships with conference registration save \$45!
There's never been a better time to join!

The Florida Association of Neonatal Nurse Practitioners is an organization established to promote the professional development and practice of neonatal nurse practitioners. The FANNP supports the highest standards of neonatal nursing through education, practice, and research.

Voting Membership (only \$50) is open to all nurse practitioners whose field of interest includes neonatal care.

Student Membership (\$40) is open to all NNP students.

Associate Membership (\$50) is open to any person in an advanced practice role, other than a NNP, interested in fostering the mission and goals of the organization.

Retired NNP Membership (\$25)

Out-of-state and international members welcome!

FANNP Members enjoy a number of benefits:

- Quality educational offerings, conference registration fee discounts
- Professional development opportunities
- Research grants
- Educational scholarships
- Legislative advocating and updates
- Professional recognition
- Annual business meeting brunch
- Quarterly newsletters
- Opportunities for networking

“Helping NNPs shine since 1989”

“Absolutely love the new content, the variety of topics and speakers, and the review topics as a practicing NNP for the past 8 years. Great to review and refresh and renew. I enjoyed being able to attend in person or virtually, allowing me to attend sessions at my convenience.”

REGISTRATION INFORMATION

Register online at FANNP.org
no fax or phone registration available

2023 REGISTRATION FEES*

FANNP is fighting inflation ... No price increase ... Same low fees since 2021!

Full-time Students \$450 (with proof of enrollment)

Current Members \$490 (membership dues paid prior to 6/1/2023)

New Members \$575 (includes \$50 for membership dues thru October 2024)

Non-Member \$620

***Registrations received September 28 – October 15, 2023 will incur an additional \$75 processing fee and may have delayed access to the live or virtual conference materials.**

On-Site registration is limited to 350 participants (first come, first served).

Virtual registration numbers are unlimited.

Registrations for the On-Demand Library will be accepted until 8/15/2024. The On-Demand Library will be available for viewing until 9/15/2024.

STUDENT REGISTRATION:

- To qualify for the student discount, you must be a full-time equivalent student (generally a minimum of 6-9 credits), enrolled in a NNP preparation course of study.
- Proof of enrollment (a copy of course registration or a letter from your department head or registrar indicating you are a full-time student) MUST be emailed to conference@fannp.org when your registration form and payment are submitted.

SYLLABUS:

- The session handout materials will be available electronically.
- In the week prior to the conference you will be provided a link for PDFs of the Conference Schedule and Session Handouts. You will be able to print or download the material for the sessions you will be attending (you will have access to the materials for all other sessions as well).
- For on-site participants, the first few rows of classroom seating have access to outlets for laptops and tablets. Computers are available for use in the Mainstay Lounge.

ON-DEMAND LIBRARY:

- All registered conference participants will have access to an On-Demand Library and will be able to review conference sessions for the General Sessions and both Track A and Track B Sessions and can earn CEU credits for 10 months (until September 15, 2024).
- The On-Demand Library is a real bargain and almost doubles the total educational credits available.

Cancellation/Refund Policy: Personal cancellation – no refunds will be offered.

If you register to attend the live in-person or live virtual event and have a scheduling conflict develop, you will be able to obtain all of the course content utilizing the live virtual or on-demand library options, therefore, no refunds will be offered. If you are registering for the in-person on-site Conference, please wait for registration confirmation prior to making any non-refundable travel arrangements. FANNP reserves the right to cancel the live in-person or live virtual event and postpone the on-demand course due to unforeseen circumstances (pandemic or natural disasters). In the event of cancellation of live events and/or on-demand postponement, FANNP will not refund any registration fees and is not responsible for any related costs, charges, or expenses to participants, including cancellation charges assessed by airlines or travel agencies.
