

2024

FANNP's 35th

NATIONAL NEONATAL NURSE PRACTITIONER SYMPOSIUM: CLINICAL UPDATE AND REVIEW

October 15-19, 2024

"The only review course for NNPs, by NNPs"

ATTEND IN-PERSON OR VIRTUALLY

The Florida Association of Neonatal Nurse Practitioners invites you to join us at our 2024 Annual Conference. FANNP leadership presents a "hybrid format" with alternatives for attendance. You will have the choice to:

- Attend live In-Person Conference at the Sheraton Sand Key, Clearwater Beach, Florida. The on-site conference will have attendance limited to 350 people (first come, first served). **OR**
- Attend our live Virtual Conference, and stream from home or wherever you may be!
- If you are unable to be with us in October, "attend" sessions and earn CEU credits at your convenience using the On-Demand Library.

Live on-site or live virtual attendees will also have access to the On-Demand Library to view sessions for review and/or earn additional CEU credits.

CONFERENCE PARTICIPANTS

The conference draws participants from throughout the United States and internationally, including:

- Neonatal nurse practitioners
- Neonatal nurse practitioner students
- Clinical nurse specialists
- Clinical nurse specialist students
- Neonatal physician associates
- Neonatal nurses
- Nurse educators

Register online at [FANNP.org](https://www.fannp.org)

CONTINUING EDUCATION CREDITS

The Florida Board of Nursing has approved "live attendance" of this conference event during the scheduled times of October 15-19, 2024 for up to 27.5 nursing contact hours. (up to 25.5 for virtual attendance).

Continuing education credits (up to a total of 48.5 nursing contact hours) can also be obtained by viewing sessions in the conference "On-Demand Library" at any time prior to 9/15/2025.

The On-Demand Library (free with live registration) is a real bargain and **almost doubles the possible total educational credits**. Participants can earn a total of 48.5 – 50.5 nursing contact hours.

"I learned so much! There was a massive amount of content provided to study for certification exams. I plan to utilize the handouts and audiovisual recordings to study for boards."

ATTEND ONLINE OR ON-SITE AT THE SHERATON SAND KEY, CLEARWATER BEACH, FLORIDA

CONFERENCE OBJECTIVES

The FANNP Symposium began as a small, annual conference designed to coach novice nurse practitioners and students for the National Certification Neonatal Nursing Specialties Examination.

Over the past 35 years, the size and scope has broadened. The conference now offers a multi-track curriculum.

An expert faculty of leading nurse practitioners, educators, and physicians present an in-depth exam review, plus insights to the latest trends in neonatal care.

- **Track A sessions** are designed for experienced NNPs and nurses to update knowledge with content pertinent to neonatal professionals and clinical practice.
- **Track B sessions** are designed as a review for the National Certification Corporation (NCC) Neonatal Nursing Specialties exams, and Continuing Competency Assessment.
- Sessions in both tracks will fulfill NCC Certification Maintenance Education requirements for recertification.

Participants will have the opportunity to:

- Review current concepts, trends, and management practices appropriate for the care of the high-risk neonate.
- Discuss current issues in neonatal care with a rapidly growing and influential group of health care professionals involved in high-risk neonatal care from throughout the U.S. and internationally.
- Download on-line handouts.
- Network with knowledgeable individuals involved in the care of the fetus and the newborn.
- Earn additional CEU credits or study and review with an on-demand library of audio-visual presentations available until September 15, 2025.

CONFERENCE LOCATION

The **Sheraton Sand Key Resort, Clearwater Beach** is situated on a barrier island on the Gulf of Mexico. The schedule includes plenty of free time to enjoy the sun and beautiful surroundings.

Enjoy the swimming pool, fitness center, pickleball, tennis, volleyball, or simply stroll the white sandy beach. Beach activities — parasailing, catamarans, and sailboarding — are only steps away. “The best of both worlds — a spectacular secluded beach tucked conveniently close to Florida’s exciting attractions.”

ROOMS AND RESERVATIONS

The conference room rate at the Sheraton Sand Key Resort is \$232 per room (single/double occupancy), plus taxes (currently 13%) per night. The room rate applies 3 days prior to and after the conference.

To obtain the special FANNP rate, make your reservation early and before the “hotel room block release date” which is September 4, 2024 (before 11:00 PM EST). The room block may sell out early. After the release date, rooms at the group rate will no longer be available.

For the special FANNP rate, make your reservation on-line via the link below or on the FANNP website.

>> Book your group rate for FANNP 2024 <<

When making your reservation, please be sure to choose your arrival and departure dates via the drop-down menu in the “dates” section PRIOR to hitting the “check availability” button. DO NOT LEAVE THE DEFAULT DATES.

TRANSPORTATION

Super Shuttle (ExecuCar) and Uber services are available for transportation from Tampa International Airport and St. Pete-Clearwater International Airport. Super Shuttle will be offering a 5% discount for FANNP.

The Sheraton Sand Key Resort provides free transportation (with a room key) throughout the beaches north and south via the Clearwater Beach Jolley Trolley and Suncoast Beach Trolley.

2024 CONFERENCE AGENDA

27.5 possible CEU (for in-person attendance)

All times listed are Eastern time
Program schedule, topics and speakers subject to change

TUESDAY, OCT. 15 [5.5 CEU]

7:30 – 9:00 AM CONTINENTAL BREAKFAST • REGISTRATION • NETWORKING • EXHIBITS OPEN

9:00 – 10:30 AM

Welcome / General Session 1

NEONATAL RESUSCITATION - CONTROVERSIES

The Neonatal Resuscitation Program (NRP) guidelines are based on several translational and clinical studies involving resuscitation of newly born infants in the delivery room and infants in the NICU. This presentation reviews changes and controversies on cord management, oxygen use in various steps of resuscitation and implications of epinephrine dose, route and volume during circulatory support. (1.0 CEU, 0.2 Pharm)
Satyam Lakshminrusimha, MD, FAAP

10:30 – 11:00 AM BREAK • NETWORKING • EXHIBITS OPEN

11:00 – 12:30 PM

Track A, Session 1a (11:00-11:45 AM)

MANAGEMENT OF PPHN - WHAT THE FETUS CAN TEACH US

A disruption in the well-orchestrated fetal-to-neonatal cardiopulmonary transition at birth results in the clinical conundrum of persistent pulmonary hypertension of the newborn (PPHN). Despite advances, death or ECMO occurs in 10-20% of term infants with PPHN. This talk reviews the fetal circulation, cardiopulmonary transition at birth, etiology, and pathophysiology of PPHN using specific examples such as meconium aspiration syndrome, hypothermia and congenital diaphragmatic hernia. (0.75 CEU, 0.3 Pharm)

Satyam Lakshminrusimha, MD, FAAP

Track A, Session 1b (11:45 AM – 12:30 PM)

NITRIC OXIDE AND OXYGEN – A MARRIAGE MADE IN HEAVEN OR HELL?

This presentation reviews the discovery of oxygen and nitric oxide and discusses the interaction between these two essential pulmonary vasodilators. Clinical implications of this interaction will be discussed. Finally, the consequences of hypoxia and hyperoxia and adverse effects of iNO will be reviewed. (0.75 CEU, 0.5 Pharm)

Satyam Lakshminrusimha, MD, FAAP

Track B, Session 1

SOS: REVIEW OF COMMON NEONATAL GI DISORDERS

This presentation is a general overview of common neonatal GI problems. (1.5 CEU, 0.3 Pharm)

Jacqui Hoffman, DNP, APRN, NNP-BC

12:30 – 2:00 PM LUNCH (ON YOUR OWN) • EXHIBITS OPEN

2:00 – 3:30 PM

Track A, Session 2

NEONATOLOGY'S GREATEST HITS: A LOOK BACK AT FIFTEEN SEMINAL NICU STUDIES, AND WHAT WE HAVE LEARNED SINCE THEN

Ever wish you knew more about those studies you have heard referenced on rounds, but never had the time to look up? Join us as we embark on a whirlwind journey looking back at fifteen of neonatology's greatest studies that continue to impact NNP practice, what has stood the test of time, and what we've learned since then. (1.5 CEU, 0.5 Pharm)

Stephen Stoeber, DNP, APRN, NNP-BC

Track B, Session 2

DIFFERENTIAL DIAGNOSIS AND MANAGEMENT OF RESPIRATORY DISEASE

This session will provide an overview of airway issues, diseases, mechanical, structural, obstructive, and iatrogenic causes of neonatal respiratory distress. The key characteristics, stabilization, and treatment options will be reviewed. (1.5 CEU, 0.2 Pharm)

Amy Inah, DNP, APRN, NNP-BC

3:30 – 4:30 PM BREAK • NETWORKING • EXHIBITS OPEN

4:30 – 6:00 PM

Track A, Session 3

IMPACT OF FETAL DRUG EXPOSURE

This presentation will explore the long-term impacts of fetal drug exposure. Alcohol, marijuana, and opioids will be a focus considering their widespread use. We will also explore more regional drugs of choice including stimulants, sedatives, and other emerging agents. (1.5 CEU, 1.5 Pharm)

Christopher McPherson, PharmD

Track B, Session 3

ABG INTERPRETATION AND VENTILATION STRATEGIES

A review of blood gas interpretation with ventilation and oxygenation manipulation to optimize neonatal respiratory care. (1.5 CEU, 0.2 Pharm)

Amy Inah, DNP, APRN, NNP-BC

6:30-7:30 PM WELCOME RECEPTION

WEDNESDAY, OCT. 16 (7.5 CEU)

7:30 – 8:30 AM CONTINENTAL BREAKFAST • NETWORKING • EXHIBITS OPEN

8:30 – 9:30 AM

GENERAL SESSION 2

ADVANCED CARDIOVASCULAR PHARMACOLOGY PRINCIPLES FOR THE NNP

This presentation will describe the pathophysiology of cardiovascular failure in neonates to inform pharmacologic interventions. The mechanisms of action of vasopressors and inotropes will be emphasized. We will also review data informing treatment algorithms. (1.0 CEU, 1 Pharm)
Christopher McPherson, PharmD

9:30 – 10:00 AM BREAK • NETWORKING • EXHIBITS OPEN

10:00 – 11:00 AM

Track A, Session 4

POSTER PODIUM PRESENTATIONS

Three of the poster submissions chosen to share their findings in more detail. (1 CEU, Pharm TBD)

Track B, Session 4

METABOLIC AND ENDOCRINE I

Provides an overview of metabolic and endocrine function. Includes a review of common disorders and management. (1 CEU, 0.2 Pharm)
Leslie Parker, PhD, APRN, NNP-BC, FAANP, FAAN

11:00 – 12:00 PM

Track A, Session 5

THE ART OF INTESTINAL REHABILITATION

It takes a team to optimize outcomes for infants with short bowel syndrome. This session will focus on the latest recommendations for feeding options and methods, medications, surgical options, and parenteral nutrition utilized for in-hospital and home care of the infant with intestinal failure. (1.0 CEU, 0.4 Pharm)
Carolyn Kelly, MS, APRN, NNP-BC

Track B, Session 5

METABOLIC AND ENDOCRINE II

Provides an overview of metabolic and endocrine function. Includes a review of common disorders and management. (1 CEU, 0.2 Pharm)
Leslie Parker, PhD, APRN, NNP-BC, FAANP, FAAN

12:00 – 1:00 PM LUNCH (ON YOUR OWN) • EXHIBITS OPEN

1:00 – 2:30 PM

Track A, Session 6

TO ERR IS HUMAN...METABOLIC

This presentation will review basics of inborn errors of metabolism, discuss specific case studies related to different diagnoses of inborn errors of metabolism, and discuss the interprofessional standard of practice of a metabolic center. (1.5 CEU, 0.3 Pharm)
Teresa Mahan-Etheridge DNP, APRN, CPNP-BC, NNP-BC and Gloribel Medina, DNP, MHA, MPH, APRN, NNP-BC

Track B, Session 6

NEONATAL PHARMACOLOGY REVIEW

This session will be a general overview of pharmacokinetics, pharmacodynamics, and common medications used in neonatal medicine. (1.5 CEU, 1.5 Pharm)
Chris McPherson, PharmD

2:30 – 3:00 PM BREAK • NETWORKING • EXHIBITS OPEN

3:00 – 4:30 PM

Track A, Session 7

CONTROVERSIES IN NEONATAL CARE

This session is a compilation of several short 10-15 minute discussions related to hot topics, controversies, and changes impacting the NICU. Any available literature will be reviewed with discussion over risks and benefits. (1.5 CEU, 0.3 Pharm)
Helen Nation, DNP, APRN, NNP-BC, C-NPT

Track B, Session 7

GENETIC REVIEW: GENETICS AND GENOMICS, TOOLS FOR PRACTICE

An overview of the main patterns of inheritance, including chromosomal, single gene, and multifactorial. Common occurrences that affect the newborn, infant, and young toddler will be included. The importance of Genomics in healthcare will be discussed. (1.5 CEU)
Kara Morgan DNP, APRN, CPNP-BC, LCGC

4:30 – 4:45 PM STRETCH BREAK

4:45 – 6:15 PM

Track A, Session 8a (4:45 – 5:30 PM)

EVERY APRN CAN IMPACT ANTIBIOTIC STEWARDSHIP

Studies note that many NICU nurses administer antibiotics they feel inappropriate; most do not question providers about antibiotic choice, dose, or route. Alternatively, providers may utilize longstanding protocols or choose medication regimens which are familiar. Antibiotic stewardship can combat rising antibiotic resistance and ensure patient safety by optimizing antibiotic use. Attendees will consider stewardship actions happening in their institutions and learn about impactful solutions. (0.75 CEU, 0.75 Pharm)
Michele Kacmarcik Savin DNP, APRN, NNP-BC, CNE, FAWHONN

Track A, Session 8b (5:30 – 6:15 PM)

CASE CHALLENGE – CAN YOU THINK BROADLY ENOUGH TO MANAGE THIS PATIENT?

In today's world people travel with ease, refugees exist in many communities, and individuals make choices to eschew modern medicine for alternatives. Via this interactive case presentation, skills will be challenged, thought processes broadened, and information learned about an unusual diagnosis which needs increased consideration. (0.75 CEU, 0.3 Pharm)
Michele Kacmarcik Savin DNP, APRN, NNP-BC, CNE, FAWHONN

“All the presentations are relevant to my job, and I appreciate knowing when I pay for a conference, I will get the most out of it.”

Track B, Session 8

NEONATAL CARDIOLOGY REVIEW

This presentation will provide a comprehensive review of cardiac anatomy, physiology and hemodynamics to help prepare the advanced practice neonatal student for cardiac-related questions on the certification exam. [1.5 CEU, 0.3 Pharm]

Stephen Stoeber, DNP, APRN, NNP-BC

**7:00 – 10:00 PM BOOGIE WONDERLAND
BEACH PARTY**

THURSDAY, OCT. 17 [5.5 CEU + 1.5 CEU = 7 CEU]

**10:30 AM – 12:00 PM FANP ANNUAL BUSINESS
MEETING AND BRUNCH**

12:00 – 1:00 PM

Track A, Session 9

JOURNAL CLUB: TWO ARTICLES THAT SHOULD CHANGE YOUR PRACTICE

An interactive session. Using recently published manuscripts, current practice strategies will be discussed and challenged. [1 CEU, Pharm TBD]

David James Burchfield MD

Track B, Session 9

BALANCING ACT: NEONATAL FLUID AND ELECTROLYTES REVIEW

Review of fluid and electrolyte management and common electrolyte disorders. [1 CEU, 0.5 Pharm] *Jacqui Hoffman, DNP, APRN, NNP-BC*

1:00 – 1:15 PM STRETCH BREAK

1:15 – 2:45 PM

Track A, Session 10

BEYOND TINY LUNGS: UNDERSTANDING AND SUPPORTING BABIES WITH BRONCHOPULMONARY DYSPLASIA (BPD)

BPD remains the most common late morbidity of prematurity and the rates of BPD continue to increase while other co-morbidities are decreasing. This session will review the history of BPD, its pathophysiology, and the treatment approach at the only BPD focused NICU in the world. [1.5 CEU, 0.1 Pharm]

Jillane H. Downs, MS, APRN-CNP, NNP-BC

Track B, Session 10

FEED ME: NEONATAL NUTRITION REVIEW

This session provides an overview of enteral and parenteral nutrition [1.5 CEU, 0.5 Pharm]

Jacqui Hoffman, DNP, APRN, NNP-BC

2:45 – 3:00 PM STRETCH BREAK

3:00 – 4:30 PM

Track A, Session 11a [3:00 – 3:45 PM]

PEER REVIEW BASICS: TIPS FROM AN EDITOR

This session will describe the peer review process for those reviewing journal manuscripts and/or grant applications. We will delve into what journal editors are looking for in the peer review, which will also identify opportunities to enhance manuscript preparation for authors. [0.75 CEU]

Terri Marin, PhD, NNP-BC, FAAN, FAANP, FNAP

Track A, Session 11b [3:45 – 4:30 PM]

MAKE RESEARCH GREAT AGAIN

This session will discuss the research process and explore ways to enrich our understanding of findings to apply to clinical practice. [0.75 CEU]

Terri Marin, PhD, NNP-BC, FAAN, FAANP, FNAP

Track B, Session 11

RADIOLOGY REVIEW

Key points for interpreting radiographs in neonates will be discussed as background. Radiographs of common, as well as some uncommon findings in neonates will be shown. [1.5 CEU]

David James Burchfield, MD

4:30 – 4:45 PM STRETCH BREAK

4:45 – 6:15 PM

Track A, Session 12a [4:45-5:30 PM]

THE HIDDEN SHADOW IN TINY LUNGS: UNMASKING PULMONARY HYPERTENSION IN BPD

Pulmonary hypertension is the most common co-morbidity of BPD, and it has long been considered the leading cause of mortality in this population. This session will discuss why pulmonary hypertension is so prevalent in BPD patients, as well as ways to prevent and treat it. [0.75 CEU, 0.2 Pharm]

Jillane H. Downs, MS, APRN-CNP, NNP-BC

Track A, Session 12b [5:30-6:15 PM]

TINY HEARTS, MIGHTY STRENGTH: BUILDING RESILIENCE IN NEONATAL PALLIATIVE CARE

In spite of technological advances, neonatal mortality remains constant in the NICU. As caregivers for these patients, it is imperative that we cultivate resilience within ourselves. This session will provide recommendations for providing quality palliative care in the NICU, as well as strategies for fostering resilience. [0.75 CEU, 0.1 Pharm]

Jillane H. Downs, MS, APRN-CNP, NNP-BC

Track B, Session 12

NEONATAL HEMATOLOGY REVIEW

A general overview of neonatal hematology and common disorders. [1.5 CEU, 0.5 Pharm]

Michele Kacmarcik Savin DNP, APRN, NNP-BC, CNE, FAWHONN

6:30 – 8:00 PM POSTER SESSION [1.5 CEU]

“I love the networking opportunities. Love the highly expert faculty. Love the ability to be able to attend in person and I was able to watch a session by live stream when I was running late. This conference is the highlight of my year, and I will be back. Everyone is always so friendly, and I make new friends each year.”

FRIDAY, OCT. 18 (4 CEU)

7:30 – 8:00 AM CONTINENTAL BREAKFAST • NETWORKING

8:00 – 9:00 AM

General Session 3

ADDRESSING ADVERSE SOCIAL DETERMINANTS IN HEALTH IN THE NICU

This session will provide an overview of the prevalence and impact of adverse social determinants of health in the NICU setting as well as step by step instructions about how to implement a practical systematic approach for identification and addressing of adverse social determinants of health using community resources. (1 CEU)

Margaret Parker, MD, MPH

9:00 – 9:15 AM STRETCH BREAK

9:15 – 10:45 AM

Track A, Session 13

UNDERSTANDING NECROTIZING ENTEROCOLITIS: WHERE ARE WE 60 YEARS LATER?

This session will discuss the history of NEC, update our current understanding of the disease, and cover recent hot topics such as transfusions, formula vs human milk, antibiotic use, and probiotics. (1.5 CEU, 0.5 Pharm)

Steven James McElroy, MD

Track B, Session 13

NEONATAL NEUROLOGY REVIEW

A general overview of diagnosis and management of neurologic diseases and conditions. (1.5 CEU, 0.2 Pharm)

Leslie Parker, PhD, APRN, NNP-BC, FAANP, FAAN

10:45 – 11:00 AM STRETCH BREAK

11:00 AM – 12:30 PM

Track A, Session 14a (11:00 – 11:45 AM)

EVIDENCED BASED STRATEGIES TO SUPPORT LACTATION FOR MOTHERS OF VLBW INFANTS

This session will review the practical, evidenced based strategies to support lactation for mothers of very low birth weight infants. The speaker is the first author of the AAP clinical report on this topic. (0.75 CEU) Margaret Parker, MD, MPH

Track A, Session 14b (11:45 AM – 12:30 PM)

NURTURING PREEMIES: THE POWER OF HUMAN MILK

Explore the benefits of all human milk for premature infants. We will discuss components of and outcomes with mom's own milk, donor human milk, and human derived fortifiers for the tiniest infants. (0.75 CEU) Jenelle Ferry, MD

Track B, Session 14

NEONATAL SEPSIS

An overview of diagnosis, physiology and management of neonatal sepsis (1.5 CEU, 0.2 Pharm)

Colleen Reilly Moss, DNP, APRN, NNP-BC

SATURDAY, OCT. 19 (3.5 CEU)

7:30 – 8:00 AM CONTINENTAL BREAKFAST • NETWORKING

8:00 – 9:30 AM

Track A, Session 15

AN UPDATE ON THE 22-23 WEEK INFANT POPULATION

This session will cover the history of the limits of viability as well as current ethical considerations of taking care of this population. We will then move to approaches to care for these infants with special emphasis on respiratory care, skin care, antibiotics, and nutrition. (1.5 CEU, 0.5 Pharm)

Steven James McElroy, MD

Track B, Session 15

KIDNEY REVIEW

This presentation provides a general overview of kidney function and disorders. (1.5 CEU, 0.3 Pharm)

Terri Marin, PhD, NNP-BC, FAAN, FAANP, FNAP

9:30 – 10:00 AM BREAK • HOTEL CHECKOUT

10:00 AM – 12:00 PM

Track A, Session 16

ESCAPE ROOM

Participate in a Neonatal Escape Game experience where you can test your knowledge in a level II and/or level III case scenario. Progress through the scenario by solving puzzles and completing calculations related to patient management to obtain clues and see if you can "escape"! Come join the fun (2 CEU, 0.2 Pharm) **Will not be available virtually or in the On-Demand Library.**

Helen Nation, DNP, APRN, NNP-BC, C-NPT

Track B, Session 16

TEST TAKING TIPS AND STUDY STRATEGIES

This session is presented in two parts. First, an overview of the certification examination (rules, regulations, eligibility, and format). Study and test taking strategies will be given for multiple choice exams. Second, the opportunity to answer practice questions in a relaxed, game show atmosphere. (2 CEU, 0.2 Pharm)

Colleen Reilly Moss, DNP, APRN, NNP-BC

“Enjoyed collaboration and engagement with other NNP colleagues. I was able to talk to and network with other NP's and hear how things are done differently in other places.”

“I loved the flexibility of the conference. I was able to attend almost all in person but love having the option to view virtually or in the on-demand library.”

CONFERENCE EVENTS

WELCOME RECEPTION

Tuesday, October 15, 6:30 – 7:30 PM

On-site participants, join us poolside to network, meet new friends and catch up with old ones! Grab a cocktail and your favorite appetizers while competing in FANNP Flamingo Trivia and watching the sunset.

**'BOOGIE WONDERLAND'
BEACH PARTY**
Wednesday, October 16,
7:00 – 10:00 pm

Get ready to shake your groove thing and 'Do the Hustle' down to the beach for a night of far-out fun and dancing under the stars and disco ball! Feel free to wear your funkier 70s disco attire (encouraged, not required) and hang with your friends, family, and colleagues as we flash back to the 70s. There will be

delicious food, dancing to the DJ, games, photo booth, and a cash bar. Bring your good vibes and we guarantee you'll have a groovy time! The event costs \$35 for conference registrants and \$40 for guests.

EXHIBIT HALL

During breaks have a snack and browse through our Exhibit Hall set up with displays from medical and non-medical vendors.

FANNP ANNUAL BUSINESS MEETING

Thursday, October 17, 10:30 AM -12:00 noon

Highlights include Board of Directors election results, committee reports, budget review, and scholarship and research grant awards.

On-site participants – new and current FANNP members are invited to attend a brunch which is included in your conference registration fee. Please indicate on your registration form if you plan to attend. Non-FANNP members are invited and welcome to attend. Please indicate on your registration form if you plan to attend and add \$20 to your registration fee.

Virtual attendees – Our plan is to stream the meeting as an interactive session for virtual attendees.

POSTER SESSION

Thursday, October 17, 6:30-8:00 PM

On-site participants... attend our Poster Session for live interactive Q & A with the Poster Presenters. An opportunity for participants to network, share knowledge and recognize the work of their colleagues. The "Bob Rogers Poster Awards" will be given to the top three APN students presenting at the Poster Session. Review current hot topic research with a snack and beverage, and earn 1.5 contact hours. The cost to attend is \$10.

Virtual attendees... Recorded presentations of the poster submissions with current topics, case studies, QA studies and research projects will be available virtually for all to review at their convenience. After reviewing the Poster Presentations participants will be able to earn 1.5 CEU.

NEW! FANNP LOGO SHIRTS Support the FANNP Bob Rogers Poster Session Grant Fund

FANNP established the Bob Rogers Grant Fund to award the top NNP students presenting at the Poster Session. Bob was an honorary social host and greeter at FANNP Conferences. He attended our social gatherings and loved to meet student NNPs from all over the country. We are taking pre-orders for FANNP Logo Shirts with conference registration. ALL proceeds will support the Bob Rogers Poster Awards. Show your support for FANNP... *Buy a shirt to wear with pride!*

All shirts are unisex, with pink FANNP logo
Available in sizes small - 4XLarge

Short Sleeve T-Shirt \$20
Graphite heather, 60/40 ultra soft poly/cotton blend

Long Sleeve T-Shirt \$22
Graphite heather, 60/40 ultra soft poly/cotton blend

Crew Neck Sweatshirt \$26
Athletic heather, 50/50 poly/cotton

Hoodie Sweatshirt \$30
Athletic heather, 50/50 poly/cotton

Prices are for pre-order with your registration, pick up at the Conference. For mail-order, add \$15 postage/handling. On-site purchase, add \$5 ea. [limited quantities].

JOIN FANNP TODAY!

New memberships with conference registration save up to \$65! There's never been a better time to join!

The Florida Association of Neonatal Nurse Practitioners is an organization established to promote the professional development and practice of neonatal nurse practitioners. FANNP supports the highest standards of neonatal nursing through education, practice, and research.

Voting Membership (only \$50) is open to all nurse practitioners whose field of interest includes neonatal care.

Student Membership (\$40) is open to all NNP/APN students.

Associate Membership (\$50) is open to any person in an advanced practice role, other than a NNP, interested in fostering the mission and goals of the organization.

Retired NNP Membership (\$25)

Out-of-state and international members are welcome!

FANNP Members enjoy a number of benefits:

- Quality educational offerings, conference registration fee discounts
- Professional development opportunities
- Research grants
- Educational scholarships
- Legislative advocating and updates
- Professional recognition
- Annual business meeting brunch
- Quarterly newsletters
- Opportunities for networking

"Helping NNPs shine since 1989"

REGISTRATION INFORMATION

2024 REGISTRATION FEES*

FANNP is fighting inflation ... No price increase ... Same low fees since 2021!

Full-time Students \$450 (with proof of full-time enrollment)

Current Members \$490 (membership dues paid prior to 6/1/2024)

New Members \$575 (includes \$50 for membership dues thru Oct. 2025)

Non-Member \$620

***Registrations received October 4 – 21, 2024 will incur an additional \$75 processing fee and may have delayed access to the live or virtual conference materials.**

On-Site registration is limited to 350 participants (first come, first served). Virtual registration numbers are unlimited.

Registrations for the On-Demand Library will be accepted until 8/15/2025. The On-Demand Library will be available for viewing until 9/15/2025.

STUDENT REGISTRATION:

- To qualify for the student discount, you must be a full-time equivalent student (generally a minimum of 6-9 credits), enrolled in a NNP preparation course of study.
- Proof of enrollment must be provided. (A copy of course registration or a letter from your department head or registrar indicating you are a full-time student.)
- Verification **must be uploaded or emailed to conference@fannp.org** when your registration form and payment are submitted.

SYLLABUS:

- The session handout materials will be available electronically.
- In the week prior to the conference you will be provided a link for PDFs of the Conference Schedule and Session Handouts. You will be able to print or download the material for the sessions you will be attending (you will have access to the materials for all other sessions as well).
- For on-site participants, the first few rows of classroom seating have access to outlets for laptops and tablets. Computers and printers are available for use in the Mainstay Lounge at the Sheraton Sand Key.

ON-DEMAND LIBRARY:

- All registered conference participants will have access to an On-Demand Library and will be able to review conference sessions for the General Sessions and both Track A and Track B Sessions and can earn CEU credits for 10 months (until September 15, 2025).
- **The On-Demand Library is a real bargain and almost doubles the total educational credits available.**

Cancellation/Refund Policy: Personal cancellation – no refunds will be offered. If you register to attend the live in-person or live virtual event and have a scheduling conflict develop, you will be able to obtain the course content utilizing the live virtual or on-demand library options, therefore, no refunds will be offered. If you are registering for the in-person on-site Conference, please wait for registration confirmation prior to making any non-refundable travel arrangements. FANNP reserves the right to cancel the live in-person or live virtual event and postpone the on-demand course due to unforeseen circumstances (pandemic or natural disasters). In the event of cancellation of live events and/or on-demand postponement, FANNP will not refund any registration fees and is not responsible for any related costs, charges, or expenses to participants, including cancellation charges assessed by airlines or travel agencies.
